In order to prevent any perceived conflict for the ILF Sponsors, I'd like to have Arizona Game and Fish Department present their ILF project to EPA from 10 am to noon and Tucson Audubon Society/Pima County RFCD present theirs from 1-3. Either sponsor is welcome to sit in on the other's presentation.

Rosemont will not be present at either of those meetings; however, it is my understanding that WestLand is able to provide their large conference room beginning at 10. Once the last presentation is completed, EPA and I will meet with WL and RM.

Thank you all very much.
